NOTE FOR: Chairman, National Intelligence Council

FROM: George Kolt
National Intelligence Officer for Europe

SUBJECT: Follow-up Items

2. Eagleburger. When you see him, please remind him of the conversation I had with him in New York and his agreement in principle to address a seminar at the Agency coincidental with one of his trips to Washington. The general subject would be The Impact of National Economic Developments and International Trade on Western Europe and US-West European Relations in the 1990s.

3. Jaruzelski. Two attendees at the David Rockefeller lunch in honor of Jaruzelski were Brzezinski and Eagleburger. The next time you see either one of them you might ask them their impressions of Jaruzelski as well as of the message he tried to convey, and their view of US policy toward Poland should evolve.
